

Dangerous Race

Four years ago, race-car driver Tracey Bradshaw almost died in a horrific crash. Now, scarred inside and out, shes making a comeback, but her team is plagued by a series of accidents. When the team leader dies under mysterious circumstances, former driver Mac Reynolds takes charge. The pair clash as Trace resents his high-handed attempts to control her, while Mac fears Traces recklessness will get her killed. Neither can throttle back the desire that spins out of control whenever they touch. Trace lets herself be seduced when Mac convinces her he finds her beautiful despite her scars, and she begins to hope for more. But Mac knows hes not nearly good enough for Trace.... Dont miss the sequel, Danger Zone, coming in February 2012.
