

## Waiting for a King like David: A Study of 1st & 2nd Kings

This study guide, now available on Kindle, provides opportunity to make sense of one of the challenging and important narratives of the Hebrew Bible - 1st & 2nd Kings. Many readers shy away from Kings because of the unfamiliar persons and events, as well as the confusing back and forth manner of presenting the material. Lakys study cuts through the details and displays the powerful and rich story in an accessible manner. The fact that this guide opens the way for beginning students while still providing a challenge for the Bible study veteran makes its depth of insight and unique approach all the more impressive. The study guide is well suited for individual study, yet also works well to facilitate group studies.
