

The Human Resource Managers Survival Guide: The Path To Success

The H.R. Managers Survival Guide provides the H.R. manager or supervisor with a comprehensive easy-to-use, one-volume treatise that sets forth the fundamentals of many areas of responsibility the H.R. manager regularly encounters in the performance of their job duties. The H.R. Managers Survival Guide presents in a practical context useful chapters dealing with human relations, employee involvement, Kaizen, workers compensation, goals and objectives, attendance, employment laws, employment at will, whistle blowing, wellness, smoking in the workplace, succession planning, EEO, appraisal systems, drug testing, acquisition from the HR perspective, negotiating a union contract, strikes, discipline, grievances, arbitration, labor law, and WARN.
