

ABCs of e-Learning: Reaping the Benefits and Avoiding the Pitfalls

The ABCs of e-Learning is your hands-on guide for finding the right e-learning path for you and your organization. Written by Brooke Broadbent-an international expert in the field of e-learning-the book is created to be an easy-to-use and flexible tool. The ABCs of e-Learning offers the background information needed to solve a wide variety of e-learning problems. It compares the four basic types of e-learning: leader-led, self-paced, performance support tools, and informal learning. It also includes answers to common problems and will get you started on your road to e-learning.
