

An Improper Aristocrat

Rapscallion! Rake! Wanderer! Adventurer! All accusations that the Earl of Treyford acknowledges with pride. The scandalous son of a disgraced mother, he has no time for the pretty niceties of the ton, nor the simpering debutantes who populate its ballrooms. He has returned to England to aid an aging spinster facing an undefined danger. But Miss Latimer's dark and sultry beauty, her fascinating mix of knowledge and innocence, arouse far more than his protective instincts. Can such an improper aristocrat learn to be the true gentleman Miss Latimer deserves?
