

Con Te Partiro

My wife once asked me to write a story set around the song popularly sung by Sarah Brightman and Andrea Bocelli called in the US Time to Say Goodbye or also Con Te Partiro. This was my attempt to create a setting for that song about two lovers who are torn apart, but want to stay together, but cannot. I hope you enjoy the small world I created. Jesiah is training to be a soldier in a grand royal army of great honor and a downtrodden young woman know simply as Ig cries as she scrubs a dirty floor. These two souls paths will cross and it will send the entire kingdom into a storm of which it has never faced. These two lovers will have to decide when it will be Time to Say Goodbye....
