

## When the Church Rides the Beast: The Antichrist-Centered Mystery!

This book candidly unfolds Revelation 13, 17, and 18, which describe who the apocalyptic antichrist is! In the very heart of John's end-time prophetic narrative comes stunning imagery of the final three phases of this powerful being and his church. They are the fulfillment of Daniel's prophecies of the little horn, vile person, and king of the north! With unreserved clarity, John is told that this religious power would be centered in the city of the seven hills with stunning geopolitical ties to the leaders of the world. The clues of when it begins are amazing. It is inaugurated at a time when a woman and a beast—a church and a state—have merged. There is no other conclusion that can be drawn than that this is when the Roman Catholic Church was awarded the Vatican City State in 1929. The papal leaders from that point on, with its final forty-two months of history, are given in vivid detail. In arresting detail, God discloses the horrifying suppressive power this church will soon wield and the world's gullible worship of its falsehoods. This amazing document mines the very depths of truths God has revealed, as never before, for us today.
