

Hillary: I lost it all -- the man I loved, the life I built with him, and what I thought was my future. Returning home was supposed to help me mend, but life had a funny way of turning everything upside down. Just when I thought I couldn't take anymore, life gave me a push in the wrong direction. But, sometimes what seems so wrong can feel so good. Razor: Women wanted me. Crowds adored me. Life was good. Then, life took a nasty turn and knocked me right off my feet. Lucky for me, a sexy teacher with curves for days arrived just in time. Now, all I had to do was convince her to help me keep the life I earned and keep the child I loved. The question was, would the sins of my past destroy my chance for redemption on and off the field? Find out what happens when a smoking hot, bad boy football phenom and the girl he taunted relentlessly as a child meet again. Will the chemistry between them unite them or destroy what's left of their broken hearts? This is the second installment of the Bad Boys of Football series. Each book can be read as a standalone title. Each takes place in the same world featuring a new, sexy couple.
