Lock the door and get ready to follow your bliss Kara is a sex columnist who believes lovemaking is a natural physical function and nothing more. When she meets a J.Ma Tantra master who thinks sex is the way to reach a higher spiritual planeshe thinks hes whacked. But when he volunteers to tutor her in the ancient sensual arts and show her what Tantra is all aboutone look at his smoking hot body and wildly good looks, and its an offer she cant refuse. After a few intoxicating nights in J.M.s arms, Kara feels a deep connection to the man whos brought her most decadent fantasies to life. And she wonders if the soul-shattering bliss shes experienced has something to do with Tantra--or if J.M.s simply stolen her heart
