

What Maxi Needs (Leave Your Shoes On Book 2)

SHE'S THE BOSS Maxi Shayne needs to be on her toes as the new vice president of operations for Staci Kay Shoes. With a production crisis looming, she can't afford distractions - but every tall, chiseled, dangerously handsome inch of Ryan Donovan is exactly that. What's worse, the gorgeous Aussie is a numbers nerd hired to get the company back on track and Maxi is his new boss. Which means no matter how wildly tempted she is, he's strictly off-limits. **BUT HE'S READY TO BE ON TOP** Ryan hadn't factored blue eyes, long legs, and a sexy smile into his equations for success, but after meeting Maxi, he's definitely ready to recalculate. Keeping his mind on business isn't easy though, because whenever she's near, all he can think about is what else she's got going on above her six-inch black stilettos. Before he can get the job done, Ryan will have to convince Maxi that the office doesn't have to be all work and no play . . .
