

Canonizing A Counter-Culture - Another Subtitle for the Sermon on the Mount (The Sermons on the Mount, on the Plain and in the Valley Book 2)

The Sermon on the Mount is the greatest speech ever and the best example of Jesus teaching ability. His message contains gem-like multi-levels of understanding and timeless truths, which heal believers. This second volume on the Sermon on the Mount takes the healing from the individual level to the collective level. It was clearly Jesus intent to improve the culture of his time. But the things he emphasized are just as needful and effective today for our troubled and sinful society. A special surprise uncovered in the objective analysis of the Sermon is the Apostolic Declaration of God as a Father. 150 pages are devoted to Jesus presentation of the profound aspects of God as a Father and the responses of His children. Who better to know the greatest Father than the greatest Son! The author takes this insight further into the practical application of how we should parent our children like God parents us. Who knew that the Sermon the Mount contained a Manual on Parenting? But how better to change our ailing culture! Another 150 pages features the astounding depth of the Lords Prayer: The Universe of Prayer which is the highway to Gods heart and building a relationship with Him. The Lords Prayer is much deeper than most Christians realize. The author showcases Jesus profound style of multi-faceted presentation, analyzing the prayer from seven gem-like perspectives. This Sermon changed the world and this detailed revival of it can change it again! When you understand Jesus words, you will never be the same!
