

Sat-Sang: Meeting with the Truth (Spirituality)

The meaning of the words Sat-Sang in Sanskrit is meeting with the absolute truth. Sat-Sang sends a powerful message for all readers seeking truth and the expansion of their consciousness. Sat-Sang occurs when teachers and students are candid with each other. It always contains the same truth, revealed through sentences and sayings that repeat themselves over and over again. Every additional repetition becomes a mantra that penetrates deeper into our consciousness. In this book, the teacher and her students present a clear example of the power of Sat-Sang, from which the reader can begin to fathom the process of encountering the absolute truth.
