

## Equity 3: The Tattooed Man (Platinum Series)

Having been fired from her coveted job at Venture Capitalist firm Chase Maddison, Katie's life is in limbo. Struggling to figure out how to win back the deal-gone-wrong, while a shadowy figure seemingly follows her every move, she heads to Eastern Europe. Her Russian fling is pleased to see her, but it's not quite what Katie imagined their reunion to be. Revenge is clearly on the agenda; Katie is bound and forced to be the star of her very own BDSM group scene. Can Katie redeem herself by satisfying the audience? Will her ice queen lover forgive her betrayal and reinstate the deal? Will Victor want her back? This filthy short story contains 8000+ words including blow jobs, gangbangs, cum shots, creampie, girl-on-girl, bdsm, dubious consent and kidnap.
