

# Diary of a Serial Cyber Dater: How to Navigate, Learn the Cyber Dating Rules & Recognize Your True Soul Mate

The story began during the economic bubble around 2009. It will take you on a 6 year journey which at times will make you feel dizzy. There are shocking life changes, awkward situations and dramatic events that will leave you speechless. You will find yourself re-reading chapters several times and going back to pages youve loved or even hated! This books is brutally honest, realistic, sometimes hilarious, outrageous and sometimes puzzling secrets suddenly make sense. Learn about yourself and the stranger youve been looking for as he/has been also looking for you.
