

Full of Secrets: A Gay Step Taboo Story, Book 3 (Daniel & Eli)

With his mother still away on business, Daniel has been spending most of his time with his stepfather, Eli. And the two of them have really been enjoying each others company. But now mom is on her way home and Eli tells Daniel that things have to return to the way they were. Once she arrives, Eli falls right back into his role as husband & father and even warns Daniel that they must avoid any urges that may arise. And, to say the least, Daniel is not happy about it. He was finally happy and having fun and now it had all been taken away from him. Until Eli surprises him by announcing a special father & son bonding night. And hes not talking about another movie night! Instead, they spend the evening exploring one of Elis old hangouts.

Its hot, sexy & taboo when these two guys get together! But dont take my word for it! Find out for yourself in Full of Secrets (Book 3 of Daniel & Eli by Nick Cox)! NOTE: This story is intended for mature adult audiences only. It contains adult language and sexual situations.
