

The power of the gospel to transform individual lives has been clearly evident throughout New Testament history. But what of the darkness and poverty that enslaves entire cultures, even nations? Have Christians underestimated the power of Gods truth to transform entire societies? In *Discipling Nations*, Darrow Miller builds a powerful and convincing thesis that Gods truth not only breaks the spiritual bonds of sin and death but can free whole societies from deception and poverty. *Discipling Nations* will challenge, reenergize, and reequip Christians everywhere who labor to see His kingdom come, His will be done.
