

The Legend of Dragons Pearl

Dragons Pearl was said to be the richest jewel in the kingdom and as such was a fitting reward for the Devils Knight.

The inhabitants of Dragons Pearl didn't know which they fear more, having the Devils Knight as their liege lord, or his reaction when he learns the wealth of Dragons Pearl is but a distant memory. The Devils Knight may be facing his toughest challenge yet, winning the heart of Lady Guinevere as sinister plots come to light and old enemies resurface.
