

Jillian Dare: A Novel

Jillian Dare leaves her Shenandoah Valley foster home behind and strikes out on her own as a nanny at a large country estate in northern Virginia. She is delighted with the beauty of her new home, the affection of her young charge Cadence Remington, and the opportunity for frequent travel to the Remington castle in England. She is less certain about her feelings for her handsome but moody employer, Ethan. In spite of herself, Jillian realizes she is falling for her boss. But how can a humble girl ever hope to win a wealthy man of the world? And what dark secrets from the past is he hiding? This contemporary story, inspired by the well-loved classic Jane Eyre, will capture readers hearts.
