[Siren Classic ManLove: Erotic Alternative Sci-Fi/Paranormal Romance, M/M, shape-shifters, HEA] Quinn McLaughlin was filled with hope when, after five years, his commander unexpectedly found a mate on Earth. Like all of the members of Orion Security, Quinn yearned for a mate of his own. He never expected that he would find him in a traumatized man who has closed off his heart. On the surface, Brian Franklin seemed to be a very lucky man. He won the lottery and invested all his winnings into Operation Lighthouse, a light in the darkness for LGBTQ youths. Despite all the good he was doing, Brian simply couldn't forgive himself for a devastating choice he made when just a teenager. Tasked with protecting Brian from a lunatic bent on revenge, Quinn knew he would have to fight to claim his mate. When threatening letters escalate to violence, Quinn must keep them both alive while convincing his mate to open his heart. Unfortunately, for the man waiting in the shadows, forgiveness isn't in the cards.
