

Grahams Gift

When a recluse is trapped with the man of his dreams, will his Christmas wishes come true...even in spite of himself? When Michael Danner sacrifices safety to get a glimpse of the man he's been lusting after for years, he and his tow truck end up stranded in the blizzard of the season. Reclusive local cabin owner, Graham Wolsken, is pissed as hell to find the man of his dreams half-frozen in the blizzard raging outside. Rescuing him is the easy part. Resisting him? That remains to be seen. Will Michael be able to show Graham that love is the greatest gift or will Graham be left holding onto nothing?
