[www.CarlaNegggers.com](http://www.CarlaNegggers.com) In this vivid and suspenseful novel, New York Times bestselling author Carla Neggers takes readers on a heart-stopping journey. Emma Sharpe, granddaughter of world-renowned art detective Wendell Sharpe, is a member of a small Boston-based FBI team. For a decade, Emma and her grandfather have been trailing a thief whose first heist was an ancient Celtic cross. Since then, the Sharpes receive a replica after every new theft reminding them of their failure to capture their prey. When Emma finds a murder victim holding a small, cross-inscribed stone one she recognizes all too well her fiancé, FBI deep-cover agent Colin Donovan, is troubled. But together they dig deeper, certain there is more to this murder than meets the eye. As the danger escalates, the couple faces questions about their relationship. Can they give their hearts and souls to their work and have anything left for each other? Before they can focus on their future, they must outwit one of the smartest, most ruthless killers they've ever encountered. Includes the bonus story Rock Point
