

## Highland Champion (The Murrays)

New York Times bestselling author Hannah Howell spins a masterful tale of glory, honor and passion in this sweeping adventure of a proud woman who refuses to believe in love--and the fiery Scotsman determined to change her mind...Liam Cameron is certain he's died and gone to heaven when he opens his eyes to the angel before him. But the pain that wracks his body proves he is still earth-bound. Keira Murray MacKail saved Liam's life--and he has some enticing ways he would like to thank her. Soon, lust gives way to a feeling much more profound for a woman whose battles he wants to fight...though he fears the most difficult one will be for her heart...Keira quickly learns that Liam has danger chasing him. As her healing kindness frees him to tell his tale, she confides the trouble that plagues her: she is a laird's widow now responsible for saving a small village pillaged by cruel invaders. But even as Liam makes the crusade to reclaim her lands his own, he will face a far greater challenge to win her trust--and her love--for all time...
