

Pub Date: 2012 09 Pages: 750 Publisher: China Renmin University Press (English 12) Human Resource Management is an English photocopy editions. the original American the famous human resources management scholar Professor Dessler classics. The 12th trafficking is the latest version. on the basis of maintaining the characteristics of the previous version. the following important updates: 1. Add a new column of evidence-based human resource management. and explain in detail how it should use the data. Facts and other evidence of human resources management decisions. to improve the effectiveness of human resource management practices. rather than by racking our brains for granted the way to the implementation of human resource management. 2. Which should have included in the discussions since 2008 spread to the global economic crisis on human resource management. human resources...
