

Clarified New Testament Chronological: A rainbow emerging from behind the clouds

The CLARIFIED NEW TESTAMENT is a rainbow emerging from behind the clouds in Comparison to the other Versions of the New Testament. It was Carefully, Diligently, and Openmindedly prepared by Consulting the Original Greek Text and Greek Dictionaries; and by Comparing that with the Former Published Editions of the New Testament, with the Teachings and Ideas of the Various Denominations of the Church, with the Ideas and or Teachings of many people who Publicly Proclaim their Knowledge of the New Testament Teachings, with the Ideas of the Various persons who were Consulted Personally, and with the Written History of the Church and of the Jewish Religion.

In Addition to that, the Words were Carefully and Diligently Searched out in American Dictionaries to find the Simplest Usage of the Words; Simplified Expounded Text, in Italics, is Applied in Various Places as Necessary for Better Clarity; Some of Elnoras New Testament Notes, Lessons, and Comments are Placed in the Subtitles and Elsewhere for Better Understanding; Capital Letters are used

Frequently for more Emphasis; the Old Testament Quotations are Printed in Capital Letters for Easier Reference; and the Gospels and Portions of Acts and other Scriptures are Written in Chronological Order. This was All Done so the Holy Scriptures could be

Easily Read and Understood by Everyone, from the Youngest to the Eldest Reader and from the Most Intelligent to the Less Learned person. Also, a Study Guide and an Outline for Corresponding the Traditional Chapters and Verses to the Subtitles are Placed in the Back of the Book. When you Discover for yourself that the CLARIFIED NEW TESTAMENT is truly a rainbow emerging from behind the clouds

in Comparison to the other Versions of the New Testament you have read, you will be looking forward to the CLARIFIED NEW TESTAMENT, EXPOUNDED, which will be Published at a Later Date, for it will be a fully exposed rainbow, as it Will be Fully Expounded, in Italics, with Many More of Elnoras New Testament Notes, Lessons, and Comments.
