

International English Bible (IEB) New Testament on MP3 / Dr. Stanley Morris

Although there are about one million words in the English language, the average person only uses about 20,000 words. A first-grade child understands around 6,000 words before he or she learns to read. Not counting proper names, the International English Bible uses a vocabulary of only 4,000 words. Not a paraphrase!...Expresses the original meaning clearly....Simple, natural English, like a conversation....Accurate and easy to understand.
