

## The KJV Study Bible--Students Edition (Maroon) (King James Bible)

For a powerful Bible study experience, combine the best of the old (the King James Version) and the new (6,500 study notes from the Simplified Bible Commentary Series)! Having reached its 400th anniversary in 2011, the King James Version of the Bible remains one of the most popular translations available now. Barbour's popular KJV Study Bible, bringing the venerable version into a 21st century context, is available in a special edition for students. This handsome, leather-like edition contains dozens of topical study outlines especially for teens, plus individual book introductions and a dictionary/concordance section. It's an excellent resource for personal study or Sunday school and small group preparation whether you're already a fan of the translation or if you've been reading more modern Bible versions.
