

## A Little Holiday Temptation (Kimani Hotties)

Two friends. One chance at a lifetime of love? Ana Corelli and Erik Whitaker have always been there for each other. Trouble is, Ana is starting to see the sexy entrepreneur as more than just a broad shoulder to cry on. After some soul-searching, she's finally ready to tell Erik how she feels. But between missed opportunities and an unexpected push back into the spotlight, their timing never seems to be right. As the new face of Corelli Fashions, Ana is putting her family's international company on the map. Erik couldn't be prouder and feels this is the moment to confess his pent-up love for the voluptuous model. But now there's another man in Ana's life. With the magic of the holiday season around them, will Erik be able to show Ana that he's the only one for her? And that sometimes best friends forever can become lovers for life?
