

Vanquishing: The School of Exorcists (YA paranormal adventure and romance, Book 6)

As the final battle between light and dark magic looms.... Talented Sender, Ruby Carmichael, faces her greatest challenge yet. After laying to rest one of her best friends, Ruby faces new problems; a friend who abandons her, a double crossing ally, dark magic that steals abilities from others, and the ever present threat from her unstable parents, who are intent on taking over the world and destroying the School of Exorcists. An encounter with the Deveral family takes Ruby into a new and dangerous realm, where her life is threatened. With Ruby not knowing who to trust, and the final battle fast approaching, she must take a risk. Failure will mean the end for Ruby, her loved ones and the School of Exorcists. Vanquishing is the sixth, and final, novel in this YA paranormal adventure and romance series, featuring magic, ghosts, the undead and complicated love lives.

Q & A with the Author

Q - How would you describe The School of Exorcists series? A - The School of Exorcists is a mix of teen and YA romance and adventure, sc-fi and fantasy, with lots of paranormal bumps along the way. I've always enjoyed reading books aimed at teens and young adults, especially coming of age series best sellers, they speak to my own inner teen, so you'll find lots of this throughout the series.

Q - Why did you want to write paranormal romance and adventure novels? A - I love thinking about love and re-imagining my own teenage years, making them much more exciting! This series has been ten years in the writing and Ruby Carmichael and her paranormal adventures and romance can now be released for others to immerse themselves into. I wanted to write young teen and young adult books that engaged and excited readers of all ages and I hope The School of Exorcists has achieved that.

Q - What does it mean to you when readers buy your books? A - I get a huge smile on my face, it's great to

know people enjoy my writing. Paranormal romance and adventure books can get a bad rap, too much Twilight and not enough action, but I will always enjoy this type of writing, and if I never sell another book and the best seller list isn't for me, I will still write paranormal books because I love them. The School of Exorcists has so many stories to tell, lots of undead, plenty of ghosts and magic by the bucket load. The School is going to keep me busy for years, and I hope readers will enjoy this journey with me.
