

## Live at Five Participants Guide (Liquid)

Live at Five is the story of Natalie Neff and her struggles to discover purpose and direction in her life. Just out of college, she's faced with daunting challenges both personally and professionally. Based on the book of James, Live at Five portrays the practical advice of James in a light-hearted, culturally relevant way. LIQUID is a DVD-based experience featuring five 10-minute episodes in each series, as well as a 96-page Reflection Guide with questions and leaders tips. Each episode introduces present-day characters whose problems and struggles mirror biblical stories, illustrating that God's word is as true today as it was when it was written. With emotionally provoking videos, introspective questions, and tips for leading a small group, LIQUID is the perfect experience for individual growth or small group study.
