

Lord Grenvilles Choice (The Grenville Chronicles Book 1)

Amazon Bestseller of Regency Romance
Prolific author G.G. Vandagriff creates a world full of intrigue, suspense, and romance that fans of the Regency Period will adore. Vandagriff writes in a style reminiscent of Georgette Heyer.--Deseret News. Alexander Lambeth, 5th Earl of Grenville, only had eyes for the fair Lady Elizabeth during his first London Season. Unfortunately, Elizabeth's father brokered her marriage to another. Fancying himself broken-hearted, Alex consented to a loveless union with Lady Felicity, daughter of wealthy Lord Morecombe. Five years into his marriage, his first love is widowed, and Alex's wife seems to believe he will waste no time making Lady Elizabeth his mistress. As Felicity chooses to live apart from him, a surprisingly difficult choice is thrust upon Alex. Whom does he truly desire: the ethereal Elizabeth or the maddening Felicity?
