

## Love Me Forever

When Liberty Jordan travels back to Antietam in 1862 during a Civil War re-enactment, one stolen kiss with Union officer Major Flynt Stephens makes her wonder if she wasn't sent here for a reason. But Flynt is engaged to Pauletta Sue Buckingham, Liberty's mirror image and a Confederate spy who lost her husband. The war heats up when Pauletta Sue saves Liberty from rotting in a Yankee prison. Her price? Pretend to be her so she can fight for the cause. Can Liberty pull off the charade and find love with Flynt? But even if she does, would their love be able to stand the test of time?
