Taken by the Asian Billionaire Joseph is the billionaire owner of the company Sherrie works for. His life is made up of million-dollar business deals and chauffeured rides to his estate after work. Sherrie is a young woman living from paycheck to paycheck in her efforts to care for two ill parents. When Joseph finds her for a work project, they both realize there was something more than work between them. The Asian Billionaires Mail Order Bride Han Cheung Weisheng is a Chinese billionaire who has earned a world reputation for his brilliant business acumen. However, when he meets an eccentric African businessman who isn't too impressed with his talking points, Han is willing to stoop to a new low to make that deal. He tells his client that he has an African wife! That means it's time to hurry up and order a mail order bride. When he meets the black and beautiful Lilinda he is intrigued to learn about her views on Asian men, not to mention her family life back home. Lilinda doesn't have much choice but to trust a stranger but soon enough, sparks fly as Han realizes Lilinda has a strong attraction to Asian men. Han has never considered dating outside of his race, and definitely not marrying someone! But with Lilinda's good home life qualities and very tempting cocoa skin and sultry voice, it may be just what this workaholic needs to distress.
