

## Mail Order Mix-Up (Boom Town Brides)

Groom Not Wanted When Pearl Lawson sees an ad for a mail-order bride, she leaps at the opportunity to find a husband for her best friend. But the town's most dashing bachelor has caught the eye of several aspiring brides-to-be and even Pearl is drawn to him. Though the schoolteacher has no intentions of marrying, her instant connection with Roland Decker cannot be denied. Roland doesn't know how an ad seeking a wife for his brother found its way into print. But now he has to handle the hopeful applicants who think he's the future groom. Not to mention the feisty, matchmaking schoolteacher who is just as determined not to marry as he is. Will this mix-up push Roland and Pearl to forget their plans of staying single and allow love into their lives? Boom Town Brides: Taking a leap of faith for love
