Nympho: When New Jersey housewife Gina seeks treatment for her fear of flying, she leaves with an unintended consequence: She's suddenly unwilling to say no to any sexual demand made of her... From her husband, her bisexual best friend... Even her sexy, Jamaican boss! Swept away on the most thrilling sexual adventure of her life, Gina searches desperately for a solution - but there are unscrupulous sorts out there who are eager to exploit Gina's accidental nymphomania!

Old Flame: When housewife Gina learns that her ex-boyfriend Kristoph - the ex-boyfriend, the one she nearly married - is flying back into town for the week, she's eager to catch up with him. Their relationship might not have panned out; but he's still one of the most fiercely loyal friends she has. But the problem is her husband, Simon. You'd think he'd be jealous of Gina catching up with her old flame; but in fact, he's actually turned on by it. Over the course of some pretty explicit sexual fantasies, he makes it very clear that if Gina wanted to rekindle more than just her friendship, he'd be okay with it. Which puts Gina on the horns of a very horny dilemma.

Massage: To celebrate their wedding anniversary, Simon has arranged a luxury couples massage for him and his wife, Gina. But there's a twist. The two masseuses are gorgeous, muscular men - and when they start rubbing Gina down, they don't stop just because they get to the parts of her body covered by a towel. In

fact, these two talented men soon have Gina squirming and quivering on the massage table - and then Simon gives them permission to take their pleasure with her. Helpless to her desires, Gina experiences erotic pleasure like never before - and is driven so wild with lust, she eagerly begs to feel them inside her, even though she's not on any form of birth control.
