

Discover the Healing Power Within You: ...and Claim the Life You Truly Desire

You are holding in your hands a valuable tool for finding the doorway to a whole new world and a whole new self. At the moment that doorway may be hidden behind the issues of your life. But in this power-packed book, professional psychic and spiritual counselor, Monique McDonnell, provides new-comers to the healing arts, as well as experienced healers, a framework for guiding yourself or others through an effective healing process to permanent change. By following the simple steps outlined in these pages, you can learn how to: Identify the symptoms of a problem Find the root cause Withdraw energy from that cause Energize and bring into your life something more in alignment with the Truth of who you are Benefiting from the insight of Moniques channeled healing guide, Clarion, you are walked through several examples of healing. Working with a set of eight core negative beliefs, Clarion guides you through a process of changing negative patterns, identifying and letting go of payoffs, engaging forgiveness, and creating affirmative statements to support the highest definition of yourself. You have the keys in your hands to discover the healing power within you.
