The brothers live in Olympia, Washington, working as architects. Both brothers are surprised to find out that Andy, who is only half-werebear, inherited the transformative power. Throughout the journey, Andre learns to control his power and starts to feel more at home in nature than he ever did at the office. Andy must decide if he wants to stay in the woods or go back to his life in Olympia. Paul tries to convince Andy to return home and runs into an old flame, a werewolf named Amelia. She feels like both men were hiding something from her when she had shared many aspects of her life with them, and they are always missing during the same time of the month. When things in her hometown begin to get dangerous, and people start to go missing and even end up dead, Maya begins to wonder if there is a connection.
