When a woman living in a remote lighthouse unwittingly becomes a target of the traffickers, Dillons mission suddenly includes protecting Beth Forrester. Yet he cant let himself get too close to the reclusive beauty. The last time he lost focus on a mission, people died. He wont make that mistake again. Dillon must win Beths trust—while keeping his identity as a SEAL a secret. However hes finding it harder to maintain his cover around the woman working her way into his heart. Can he save Beths life without breaking her already wounded heart? Navy SEAL Defenders: Bound by honor and dedicated to protection.
