

A Spiritual Retreat (Classic Reprint)

God in the cloister, he hopes that theS
piritual Retreat will find favour with that
large class of Catholics in the out side
world who aim at reproducing in
themselves the cloister virtues Humility,
Docility, Patience, Generosity, Fortitude,
andS elf-S acrifice. Inasmuch as he
frequently exhorts Religious to emulate the
strenuousness of those who have to battle
with the world, so he would fain invite the
latter to share in the peace enjoyed by those
who give themselves altogether toG ods
service. A general index has been provided,
which he anticipates will render the volume
useful for spiritual reading at all times, but
more especially during the holy season of
Pentecost.(Typographical errors above are
