

NIV Trimline Bible

When you want to take the Word of God with you, the NIV Trimline Bible travels with you wherever you go. This full-text Bible fits easily in your pocket or purse, yet has a special print style that is easy on the eyes. This edition indicates the words of Christ in red and also contains a Perspectives from the Bible section that includes listings of passages to read when you experience different life situations and issues. The end-of-paragraph reference system gives you cross references to significant related Scripture passages, and a presentation page makes this double-column NIV Trimline Bible excellent for gift-giving.
