Brittany was the perfect daughter.  
Beautiful. Smart. Engaging. She had a  
goal in life and the plan in place to make  
them a reality. All the boys wanted her for  
their girlfriend and she knew how to use  
that to her advantage. Mama and Daddy  
thought she was as pure as the driven snow  
. And Brit wanted to keep it that way. And  
then there was Misty . She was everything  
theyd done wrong. She had dreams just  
like her older sister, only they werent very  
clear at the moment. She wasnt as  
adventurous as her sister and so she often  
didnt get the guy. Its a bit hard when youre  
trying to be yourself and not what Mama  
and Daddy think you should be. Jonah  
Montgomery needed a job . Unbeknownst  
to Misty, Daddy Reynolds invited Jonah to  
dinner to get to know him and introduce  
the new hand to the family. Brittany  
immediately turned on the charm while  
Misty silently watched and listened. It was  
the final straw when sweet sister Brittany  
hinted that she wanted some alone time  
with the so sexy new hand. Misty refused  
to fight over a man. So she did what she  
did best: she walked away. Walked away to  
the only beings who truly understood and  
loved her, the horses. Jonah follows and  
they began to talk. He discovers that  
beneath that hard facade is a very beautiful  
and sensitive woman who just wanted to be  
loved. And Jonah was just the man to do it.

Sometimes an invitation to dinner with  
the family can earn you an unexpected  
desert. Download Now!!! tags: cowboy
