

# Nurturing the Talent to Nurture the Legacy: Career Development in the Family Business

This book is for the next-generation leaders employed in the family business who want to know that they will have the opportunity to grow and learn so that they can achieve their career objectives. It is for family members outside the business who are concerned about what plans the business has to develop the next-generation of talent. It is also for the board of directors and non-family executives who are dedicated to helping family members achieve their career goals.
