

## The Mythology of Paul Photo Album: Mythology

The Mythology of Paul contains dozens of color images, and to intermix Lukes Acts and Pauls 14 letters; although portrayals could to be considered rendition of his appearance and life. They include medieval artwork of his blinding, restoring of eyesight and travels onto living in Rome. Find additions of Luke in his participation to Paul onto Rome, and to also see various maps of mission journeys. Images involve tracing of missions, actual photo of the ruins to sights and various artform from the natures creatures. The photo album will be found to defy use of words, and is intended to be viewed in series of art and photo; so to ponder and assess the angelic artform. See Paul in Roman red robes; while to be guarded by Centurion, and art of his martyrdom in 67 AD. The photos are best reflected of a written volume of mythology 15 of mine, and to read of a tight seal to a can of soda with various metaphors of his writings; so to find theory of the parameters to have established Christianity almost 2,000 years ago.
