In love with Ella Tennings Snowflakes

In love with Ella Tennings In school, Alex Mansbridge had been in love with Ella She was everything Alex wanted to be-gorgeous, confident and out. Arriving at a twenty year reunion, Alex is intrigued to find out what happened to Ella. What she discovers surprises her though. Years have passed and they have not been kind to Ella, who has been through heartbreak and tragedy. As they two women catch up, the form a friendship which is based on mutual respect but also attraction. Can it remain a friendship or is there more to it than that? Could romance be on the cards? Find out inIn love with Ella Tennings. Snowflakes Skye Crystal is the latest big thing in music. Her single Snowflakes has hit the charts at Number 1 and everyone want to meet the woman behind the voice. When Alex Nate acquires an interview with Skye, the last thing she expects to discover is an attraction between herself and the other woman. After the interview, Skye invites Alex back to her place where they explore the feelings between them. Back at the office, Alex writes her story-sticking to her agreement with Skye that she wont disclose her sexuality in print. Her boss is unhappy with the bland interview though and passes it over to another journalist to re-work. When the interview is published, Skye is publicly outed. Skye is furious with Alex, believing that she is responsible. When Skye finds out the truth, can there be another chance for them or is it too late? Find out inSnowflakes
