

## Planting the Seeds of Love: A Novella

Torn between two men, Sally must follow her heart and decide if love will lead her to the city or the countryside. Twenty-Two year old Sally Rayton returns to the family farm she deserted four years ago to bury her grandfather. Her plan: to settle her grandfathers estate and return to her life in the city with her boyfriend, Trevor Mattson. Her childhood friend, Jack Smith, has other ideas. Jack convinces Sally to transform the farm into a brewery and fulfill her grandfathers dream while keeping the Rayton Farm in the family. Sally works side-by-side with Jack while Trevor is hundreds of miles away in the city. The more time she spends with Jack, the stronger her feelings are for him. When Trevor shows up to propose to Sally right before Christmas and finds her in Jacks embrace, she must make the biggest choice of her life: true love.
