

Hidden Fire: The Firefighters of Station Five Book 3

The sensational, thrilling and sexy third novel in Jo Daviss scorching-hot FIREFIGHTERS OF STATION FIVE series. Julian Salvatore earned his reputation as a ladies man, but chasing women has also been a way to outrun a terrible secret from his past. Then he meets defense attorney Grace McKenna, a beautiful ice queen whos more than willing to give Julian her body, even if he cant seem to melt her heart. In the blazing heat of their passion, Grace and Julian start to let down their guard - just as a series of grisly murders rocks Nashville and Julian is targeted by the killer. As the firefighter comes face-to-face with his demons, he and Grace must race to uncover the terrible truth - or become the next victims. Dont miss Jo Daviss paranormal romance alter-ego J. D. Tyler, and her dark, sensationally sexy Alpha Pack series.
