

## Simple Truths with Mary Flo Ridley

Mommy, how will the baby get out of that lady's tummy? Do you tremble at the thought of your child asking questions like this one? You're not alone. Finally, there is help! Simple Truths with Mary Flo Ridley is a resource just for parents like you. How do you start? What should you say? When should you say it? These are great questions. Mary Flo Ridley provides the answers in a reassuring, insightful manner that will make you confident and comfortable connecting with your kids and discussing topics parents fear most. Step by step you will begin feeling more confident to talk with your child about birth, conception, and reproduction in a way that completely preserves their innocence but assures you that their information will be in line with your family values.
