

Justins Season

The year is 1988, and Justin Davis, a former nationally recruited football prep star, awakens from twelve years of masking his shame with drugs and alcohol to find he has been returned to his former self through what can only be described as a miracle. Triggered by the confirmation of his closely guarded sexual orientation, his fall from grace of over a decade before sets the stage for his redemption. The fulfillment of his destiny is prompted by Providence and the serendipitous deeds of those who are a part of his new life, as their intertwined lives are likewise impacted. Though his rapid evolvment and acceptance of his homosexuality is countered by setbacks, Justin perseveres and eventually triumphs as fate, he believes, has led him back to the sports arena to recapture past glories. In a stunning finale, however, he learns his destiny is not what he had envisioned. His calling has been thrust upon him by circumstances beyond his control. Can Justin embrace it and become the man he was always meant to be? Justins Season contains adult content suitable for mature readers only.
