

Snowbound Reunion

Watching the snowflakes fall and make everything look perfect, Cath Morgan knows she's made the right decision to spend Christmas alone, far away from the city and her husband, Jake. For six years Cath has dreamed of more from her marriage a husband who isn't off globe-trotting around the world and a home ringing with children's laughter. Only Jake isn't about to let his wife go so easily. He has one Christmas to show how much he loves her to share the secrets that have kept him away. They just need this one chance to make their marriage beautiful again.
