The Word of God is powerful enough to pierce the soul, discern the thoughts and bring about a change, IF we hear the preached word. Unless the preached word is truth, it is preached in vain. Unless the vessel delivering the preached word is consecrated unto God, it is preached, but ineffective. The Word preached at Lillys Chapel is both truth and effective in lives of the hearers. The late founder and Overseer of Lillys Chapel, Overseer H. E. Moore, established the truth of Gods Word as the foundation of the ministry. The legacy of standing on Gods truth continues through Overseer B. M. Imes and the ministers of Lillys Chapel. They are still building on that solid foundation, preparing to take God a sanctified and Holy church.
