[Siren Allure: Erotic Interracial Consensual BDSM Romance, with M/M and F/F, voyeurism, public exhibition, paddling, caning, flogging, wax play, ice play, orgies, sex toys, HEA] When Val Miller meets Erin Gale for the first time he is blown away by her. Not only is she incredibly sexy, but she is gorgeous. Everything he ever dreamed of--full figured with very long hair, he loves her wonderful lush curves. Erin is already half way in love with Val but then the incredible sex sends her all the way. When Val overhears part of a conversation he is sure Erin is just another woman who wants to make her friends jealous with a handsome boyfriend. He cannot face another disappointment being thought of as a valentine present, so he runs. Can his friends get through to him that he needs to take a risk with the woman he loves or will he turn his back on his chance of happiness? ** A Siren Erotic Romance
